## LUNCHTIME WITH THE MASTERS

51 ST. STEPHENS GREEN, DUBLIN 2

12.30 – 2PM

PAUL COSTELLOE

Costelloe takes immense pride in being one of Ireland's most reputable designers who has lovingly grown his fashion empire over the last 30 years. The core items have now been complimented by projects in homewares, jewellery, optical and corporate wear, all of which have been met with huge success.

PETER O'BRIEN

Peter works as a freelance designer, designing his capsule collection exclusively for Arnotts. Peter also works in the theatre, designing costumes for The Gate Theatre and The Abbey Theatre, Dublin. This year fine art printers and book publishers Stoney Road Press launched a limited edition, hand printed book of O'Brien's theatre and fashion drawings spanning 30 years and titled 'Workbook'.

DEIRDRE MCQUILLAN

Deirdre McQuillan is the fashion editor of The Irish Times, a freelance feature writer and author of seven books including a Style Guide to Dublin and a history of the Aran sweater. She was the recipient of a Lifetime Achievement Award from the Institute of Irish Designers in 2010.
